Brethren,

As with any register such as this, if it not kept up to date, it loses its credibility and its usefulness. Whilst making every effort myself to verify the contents, I would very much welcome the assistance of every user too. If you know of any errors or of any additions that could usefully be made or of any speaker or demonstration team, please let me know. The register will only be as good as the information it contains.

I am sure it goes without saying, but to avoid any misunderstandings, Lecturers, Speakers & Demonstration Teams should be treated as honoured guests by the Lodges, Chapters and other Masonic Groups they are invited to address. In every case it is assumed that the individuals will be wined and dined by the host organisation in addition to any expenses stated. They are, after all giving of their time and knowledge for our benefit and pleasure.

Please also assist them, if necessary, with unloading & reloading of their equipment.

It is the hope of the Trustees that the Kent Masonic Museum and Library Trust will, through this and other publications, add to the knowledge of Freemasonry and thereby add to the enjoyment and understanding of its members.
